## FINDING CLAPHAM NORTH ARTS CENTRE

We are located in Clapham North Arts Centre. Beware the centre is not well signed! It is located on Voltaire Road, where the road bends 90 degrees.

## FINDING IN2CROSSFIT IN THE ARTS CENTRE

We are right at the back of the centre. Once you go through the Arts Centre gates, walk straight ahead about 100m, until you reach a building straight in front of you (see photo below). If those doors aren't open please use the side door - turn right and walk half way along the passageway, and there's a door on the left that will be open.
